

QUESTION BANK

Basic Questions & Answers

Q1: What is this website about?

A1: This website is a one-stop destination for students to achieve academic goals by providing study tools, mock tests, a Q&A section, chatbot assistance, and a focus mode.

Q2: How do I sign up on the website?

A2: Click on the "Sign Up" button, fill in your details in the form, and submit. You'll receive a confirmation email to activate your account.

Q3: Is this website free to use?

A3: Yes, most features are free, but premium features may require a subscription in the future.

Q4: How does the summarizer work?

A4: The summarizer extracts key points from videos or links and converts them into high-quality notes for easy studying.

Q5: What types of content can be summarized?

A5: The summarizer works with educational videos, articles, PDFs, and links.

Q6: Can I edit the generated notes?

A6: Yes, after the notes are generated, you can modify and save them as per your preference.

Q7: How do I ask a question in the Q&A section?

A7: Simply navigate to the Q&A section, type your question, and post it. Other students or experts can answer it.

Q8: Can I upvote helpful answers?

A8: Yes, you can upvote or comment on responses to engage in discussions.

Q9: What subjects are available for mock tests?

A9: Mock tests cover subjects like Mathematics, Science, History, and more.

Q10: Can I see my mock test scores?

A10: Yes, after completing a mock test, your score and performance analysis will be displayed.

Q11: What can the chatbot help me with?

A11: The chatbot helps you to know the website better and guides you through the website.

Q12: How do I access the chatbot?

A12: Click on the chatbot icon at the bottom of the screen and type your query.

Q13: How does the focus mode work?

A13: Focus mode sets a timer to help you concentrate on studying without distractions.

Q14: Can I customize the timer duration?

A14: Yes, you can adjust the timer to fit your study sessions.

Q15: What are motivational pop-ups?

A15: These are encouraging messages that inspire you to stay focused and achieve your academic goals.

Q16: Can I disable motivational pop-ups?

A16: Yes, you can enable or disable them in the settings.

Advance Questions & Answers:

Q17: Can the summarizer extract key formulas from a math video?

A17: Yes, it identifies important formulas and presents them in a structured format.

Q18: How accurate is the summarization?

A18: The summarizer uses AI to ensure high accuracy, but you can always refine the notes manually.

Q19: Can I download the summarized notes?

A19: Yes, notes can be saved and downloaded in PDF or text format.

Q20: Are answers in the Q&A section verified?

A20: Answers are peer-reviewed, and verified experts can mark the best responses.

Q21: Can I report incorrect or inappropriate answers?

A21: Yes, there is a report button for moderation purposes.

Q22: How can I earn badges or rewards in the Q&A section?

A22: You earn points and badges for answering questions, getting upvotes, and contributing regularly.

Q23: Can I review incorrect answers after taking a mock test?

A23: Yes, each test provides a detailed review of correct and incorrect answers.

Q24: Can I create custom mock tests on specific topics?

A24: Yes, you can choose subjects, topics, and difficulty levels to generate personalized tests.

Q25: Do mock tests have time limits?

A25: Yes, they simulate real exam conditions, but you can customize the time settings.

Q26: Can the chatbot quiz me on a topic?

A26: Yes, the chatbot can generate quick quizzes based on the selected subject.

Q27: Can I integrate music or white noise into focus mode?

A27: Yes, you can enable background sounds like white noise or instrumental music.

Q28: Does the focus mode support the Pomodoro technique?

A28: Yes, you can set Pomodoro-style study sessions with breaks.

Interface Questions & Answers

Q29: How do I navigate between different sections of the website?

A29: You can use the navigation bar at the top to access the summarizer, Q&A section, mock tests, focus mode, and chatbot.

Q30: How can I update my profile details?

A30: Go to the "Profile" section, click on "Edit," update your details, and save the changes.

Q31: Can I track my study progress on this website?

A31: Yes, your dashboard shows study progress, completed tests, and time spent using focus mode.

Q32: Is there a way to bookmark important questions or topics?

A32: Yes, you can bookmark questions in the Q&A section for easy access later.

Q33: Is the website mobile-friendly?

A33: Yes, the website is optimized for mobile, tablet, and desktop use.

Q34: Can I adjust the font size and reading mode?

A34: Yes, you can customize font size and enable reading mode for better readability.

Q35: Does the website support multiple languages?

A35: Yes, you can switch between different languages in the settings.

Creator Questions & Answers

Q36: Who created this website?

A36: This website was created by students of ITER Bhubaneswar.

Q37: What inspired the creators to build this website?

A37: The creators wanted to provide a one-stop platform to help students overcome academic challenges through smart study tools, discussions, and motivation.

Q38: What roles did the creators play in developing the website?

A38: Each team member contributed in different areas, including coding, UI/UX design, AI integration, and content development.

Q39: How did the creators ensure the website meets student needs?

A39: They conducted research, took feedback from students, and designed features that enhance learning and productivity.

Q40: When was the website launched?

A40: The website was launched as a student-driven project to assist learners in achieving academic success.

Q41: Will the creators add new features in the future?

A41: Yes, they plan to continuously improve the website with more study tools, AI enhancements, and user-requested features.

Q42: Can users contact the creators for feedback or suggestions?

A42: Yes, users can provide feedback through the "Contact Us" section, and the team actively considers suggestions for improvement.

General Questions & Answers

Q43: What makes this website different from other educational platforms?

A43: This website is an all-in-one platform that provides summarization, Q&A discussions, mock tests, chatbot assistance, focus mode, and motivational pop-ups, making studying more efficient and engaging.

Q44: Is this website suitable for all grade levels?

A44: Yes, the website caters to students of all levels, from school to college, by providing customized study tools.

Q45: Can teachers also use this website?

A45: Yes, teachers can use the platform to guide students, answer questions in the Q&A section, and share educational resources.

Q46: How frequently is the website updated with new features?

A46: The website is regularly updated based on user feedback and technological advancements.

Q47: What technologies were used to build this website?

A47: The website was developed using modern web technologies like HTML, CSS, JavaScript, Python, React, Flask, MongoDB, Django, Node and AI-powered tools for summarization and chatbot assistance.

Q48: Does the website support collaborative study groups?

A48: Yes, students can form study groups, discuss topics, and share notes in the Q&A section.

Q49: Is there a mobile app version of the website?

A49: Currently, the website is mobile-friendly, but a dedicated mobile app may be developed in the future.

Q50: Can I access the website without signing up?

A50: Yes, but signing up allows you to save notes, track progress, and access personalized features.

Q51: How do I search for a specific topic on the website?

A51: Use the search bar at the top of the page to find topics, notes, and Q&A discussions.

Q52: Can I use the website offline?

A52: Some features may be available offline in the future, but currently, an internet connection is required.

Q53: Is there a way to get notifications for new updates?

A53: Yes, you can enable notifications in your profile settings to stay updated.

Q54: Can I share my notes or summaries with others?

A54: Yes, you can share your notes with other students through the Q&A section or direct links.

Q55: What types of content can the summarizer process?

A55: The summarizer can process PDFs, YouTube videos, and web links to generate high-quality notes.

Q56: How accurate is the summarizer?

A56: The summarizer uses AI to extract key points and generate structured notes with high accuracy.

Q57: Can I edit the AI-generated summary?

A57: Yes, after the summary is generated, you can edit and refine the notes as needed.

Q58: How long does it take to summarize content?

A58: Summarization is fast, usually taking just a few seconds, depending on the file or video length.

Q59: How do I summarize a YouTube video?

A59: Paste the video link into the summarizer, and it will generate key points from the transcript.

Q60: Does the summarizer work for all YouTube videos?

A60: It works for most videos with subtitles or transcripts available.
